

Dear students,

I wish I could meet you right now! You, my dears, are “my kids.”

During this time of uncertainty, I wish what is best for you.

Our year has been ripped away from us. We don't know when we will return to the classroom; or if we will finish the year through remote learning. That's the reality we are facing. We didn't even say goodbye.

Please keep in mind that we are not on holidays. Keep studying and reviewing your lessons. We will do our best to provide you with lessons concerning the unit not studied.

This is my phone number **0631268995**. Please feel free to contact me for any help.

Your teacher, M .Azzouzi
